

Implementation Status of Sustainable Development Initiatives

Item Promoted	Implementation situation (note 1)			Differences and reasons from the "Code of Practice for Sustainability of Listed Companies"
	Yes	No	Abstract Statement	
(I) Does the company establish a governance structure to promote sustainable development, and set up a dedicated (part-time) unit to promote sustainable development, which is authorized by the board of directors to handle senior management, and supervised by the board of directors?	✓		The company designates the chairman's office as a part-time unit, and the board of directors supervises the promotion of sustainable development, integrates sustainable development into the company's business strategy, and implements sustainable development in a purposeful, systematic and organized manner; please note 1 for details.	Comply with the Code of Practice for the Sustainable Development of Listed and OTC Companies.
(II) Does the company conduct risk assessments on environmental, social and corporate governance issues related to the company's operations in accordance with the principle of materiality, and formulate relevant risk management policies or strategies?	✓		<p>1. The company has developed the Code of Conduct of Enterprise Social Responsibility and Enterprise Social Responsibility Policy based on the Code of Conduct of Social Responsibility of Listed and OTC Companies and Enterprise, which were approved by the board of directors in May 9, 2014 through discussion after submission. Moreover, the amendments of the Code of Conduct of Enterprise Social Responsibility and Enterprise Social Responsibility Policy was passed in the board meeting held on January 20, 2017. On February 22, 2023, the board of directors discussed and approved the amendment of the "Corporate Social Responsibility Practice Guidelines" to "Sustainable Development Practice Guidelines". The implementation results will be reported to the board of directors at least once a year, such as the presentation of the implementation results for 2022 to the board of directors on February 22, 2023.</p> <p>2. The company conducts operation related risk assessment on environmental, social and corporate</p>	Comply with the Code of Practice for the Sustainable Development of Listed and OTC Companies.

			governance issues in accordance with the corporate social responsibilities materiality principle, and stipulate relevant risk management policies or strategies as follows:
